“ I used to work at Champion Boats with Ed & his dad, Fred. I was always happy to see both of them because they always had a big smile for me. I later got to know Marilyn & Sarah. Ed was always so nice & polite, I thought he was a great guy & my heart is broken over the tragic loss. To the rest of the family my heart goes out to you & you will be in my thoughts & prayers.

“ I am so very sorry for your loss. I have known Ed since he was in junior high school and over the years would often ask his mother how he was doing. I thought so much of him then and still do. Ed had a warm way about him. He was kind, quiet, polite, respectful and cared about others. He had a gentle soul. He was one of those kids/men that you never forget. I know that I will carry his memory in my heart pocket forever. He was a blessing to all who knew him.

Again, I am so very sorry for your loss and pray that you will find comfort, strength and love during this most difficult time.

“ I remember meeting Ed in 8th grade. He was shy and I knew he and I was going to be good friends from that moment... One day at school I wasn't feeling good at all and I was sitting on a bench out side... So he told me to stand on the bench and he gave me a back ride all that day.. That's the kind of guy Ed was. I'm so beyond thankful that he came into my life and I'm a better person for it. I will miss you and that up to no good grin of yours .. Go rest high Ed.
