“ Mr. O, I am so sorry for your loss. Jimmie was always so good to me. I worked with her at BRMC. When I first started working in the file room in the business office she scared me. I never knew how to take her. We became great friends and she was always giving me something for my three kids. I will miss her so much. I had seen her recently with you when came in at the eye clinic. So happy I was able to get to know you over the years as well. My prayers are with you I want you to know how much she will be missed. Love and prayers.

“ I worked with Jimmie at BRMC for about 5 years about 2000 to 2005. We became friends and I will always remember her and Mr. O. Fondly and with respect. She was a good soul then and always; honest, hard working, pleasant, considerate and a beautiful person. She was a good friend to me and I have missed her and boy I mourn her passing.
