“ For: Patricia,Kathy & Tim, our Condolences for the lost of your Mom.

Don't know if you remember us, but your home has never been the same. You were a very friendly family.

I always wondered how your folks decided to move to Arkansas. Must of been the weather. Good family.

We are mostly home bound because of many health problems.

Loosing both parents will be hard. I know you have good memories and that helps.

Take care, Clem & Monie Folz
