“ I was very sad to read of Mona's passing. I enjoyed my time as caregiver for the last year and a half for Mona. She and I talked about the famous people that she had met during the time that she was with Bill. She enjoyed listening to country music with me and that I could name most of the songs and country artists. She will be missed. Sorry for your loss.

“ I had the privilege to help care for Mrs. Mona, a couple of times, in the last few years. She was a wonderful woman, with a great sense of humor. Her passing will leave a huge void.
